

## Tuesday, July 12th 2022: Trip to Speyer

Speyer is one of the oldest cities in Germany. It was founded by the Romans and is located next to the river Rhine. Today, Speyer is famous for its cathedral, which is a UNESCO World Heritage Site and the place where eight emperors and queens as well as three empresses were laid to rest. Join us on a walking tour through Speyer, where we will explore the magnificent structures from different eras, historic sites, popular squares and promenades as well as romantic lanes of the city, but also the Cathedral Treasury. After the guided tour, you are going to have some leisure time to delve further into the city and maybe stop by the Medieval Jewish courtyard, the second UNESCO World Heritage Site in Speyer. Of course, you can also use free time for a shopping tour or a walk along the Rhine promenade.
